

Sealegs

Sealegs

Hingham, MA

Value: \$80,000

Size: 5,000 square feet

Design Build- Reynolds
Construction Services, Inc.

Duration: 5 weeks

When Sealegs International decided to build their North American headquarters in the Hingham Shipyard, they chose Reynolds Construction Services, Inc. for the job. RCS was able to convert the space into a custom showroom and corporate office. Some the key design elements include an all glass overhead door system, a custom made bamboo receptionist desk and sprayed acrylic flooring.

Reynolds Construction Services, Inc. 198 South Meadow Rd, Plymouth MA 02360 www.reyconservices.com
